## CDOT'S 25<sup>TH</sup> FOUNDATION DAY

BUILDING TRUST. DELIVERING INNOVATION

We recently had the privilege of celebrating 25 years of CDOT, marking a significant milestone in our journey of working towards financial inclusion, skill development, and community empowerment. While we missed your presence at the celebration, we wanted to share a glimpse of this special occasion and, more importantly, express our sincere gratitude for your continued support.

### A MILESTONE BUILT ON INCLUSION AND IMPACT

Over the past 25 years, CDOT has worked across multiple states, reaching millions of people, primarily in rural communities. Our efforts have focused on enabling access to financial services, empowering youth through skills, and strengthening community health systems. This journey has been guided by one core belief — that meaningful development must be inclusive and reach the last mile.

### A NEW IDENTITY FOR THE FUTURE

As part of this milestone, we proudly unveiled our new CDOT logo — a symbol of our evolution, our values, and our vision for the future. While our identity evolves, our purpose remains unchanged: to empower communities, create opportunities, and drive lasting impact.

### DRIVEN BY INNOVATION

As we grow, innovation continues to shape our approach. From strengthening last-mile financial access through Business Correspondent networks to delivering skill development and community-based health initiatives, we remain committed to building solutions that are practical, scalable, and sustainable.

**ONCE AGAIN, THANK YOU FOR BEING AN INTEGRAL PART OF CDOT'S JOURNEY.**
